Our Katrina experience was:

My son and I evacuated to my brother's in Daphne, AL, after learning the storm had grown to Cat 5. We took our dog and 2 cats, thank the Lord. Our home sustained 8 feet of water throughout, damaging all of our belongings - clothes, furniture. We were able to save some items and were very thankful that our home with stood the winds so our belongings weren't "gone" and unsalvageable.

Write something special that you would like Santa to bring you or your family:

I lost all of my pets and guns and they would come in handy when I am able to have my own home again. Currently, we live with my parents in Diamondhead. My son lost

Please use back or another sheet of paper, if you want to write more. We want to hear your story.
